5. If your time line and/or budget have altered since your approved Gold Award Application, please provide us with updated information. (Copies of current time lines and budgets in the form an additional document are acceptable and encouraged.)

A panel of three Service Team members will review your request, and will be responsible for deciding if the grant should be awarded and in what amount. No grant will be awarded for more than \$200. The number of grants given each year will be determined by how many applications are received, and what funds the Bryan College Station Service Unit has available at that time. Grants can be awarded year round and do not require a due date. However, a minimum of one month should be allowed for processing of the Gold Award Application. Panel members are not eligible to participate, if they are a parent or Troop Leader of a high school girl in Girl Scouts in the BCSSU.
